👥 What We Do

At Chelgrave we provide you with complete nationwide labour solutions, specialising in all trades & technical roles for short & long term jobs.

With over 40 years of experience in provision of labour, shutdown and maintenance solutions, we will ensure you get the right person with the right qualifications, first time every time. Combine that with our industry leading commitment to safety and our personalised level of service that is available 24/7, 365 days a year. You are guaranteed a workforce that will go above and beyond to meet your needs.
